Our FAMILY-RUN business is celebrating over 21 years **MADE IN THE U.S.A.**

Bracesox Benefits & Ordering How-Tos For Medical Professionals

Knee & Wrist Undersleeves

The knee and wrist undersleeves are soft supple garments used to help patients that wear prescriptive and non-prescriptive knee/wrist bracing. The undersleeve alleviates the side effects associated with knee bracing, such as pressure points, pinching, slippage and chaffing.

Oversleeves

The oversleeve was designed with performance in mind and is ideal for both practice and game situations. Wear the oversleeve for brace protection and compliance during sporting events. The oversleeve is lightweight, perforated for comfort, has breathable padding at the hinge, a universal fit, is simple to apply, and easy to launder.

HERE'S WHAT PATIENTS HAVE TO SAY:

Bracesox is the best thing going for comfort, if you use a knee brace. B.Connor

It works great with my EXOS brace. I recommend the BRACESOX for this brace. The BRACESOX relieves the pressure points that develop. R. Dunnigan

3 WAYS TO ORDER

1. Scan the QR code to access the order form, or login at bracesox.com.
2. Call the toll free number, 800 898 KNEE (5633), to set up an account.
3. If you are ordering a Breg, Bledsoe, VQ Ortho, or Townsend knee brace, or an Exos wrist brace, you can order a Bracesox by name at the time you place your prescription.
